

# make an impact

help build strength and stability on a monthly basis or as a one-time gift . . .

At Habitat for Humanity Greater Fresno Area, we build. We build because we believe everyone, everywhere, should have a healthy, affordable place to call home. When a family helps build or improve a place they can call home, they are also building a better community and a better life for themselves.

Your donation will help families in need of a decent place to call home build long-term financial security. With an affordable, stable home, families have more to spend on food, medicine, child care, education, and other essentials. Your support can help us do more in all the many ways that Habitat functions.

Every \$1.00 donated generates almost \$2.00 of economic activity in our community. Nearly 87 cents of each dollar donated goes directly into programs and services to build homes, community, and hope.
