

team build day opportunities

Team Build Days with Habitat Greater Fresno Area are designed for groups to participate in a fun, productive day of service while challenging members to communicate and work together to achieve a tangible outcome. While completing their project, members are motivated, connected, and inspired. Habitat Greater Fresno Area provides the tools, materials, supervision, and training while companies and groups offer a tax-deductible donation and helping hands! No experience is necessary for any Team Build Day experience!

Whether you are on the new home construction site or serving at Habitat's ReStore, the difference you make in the lives of families and individuals in need of a safe and decent place to live will leave your group inspired and invigorated. By the end of your Team Build Day, your group will connect with each other and with our community in a fun, meaningful way!

building
hope
is a team effort

team build day experiences

Team Build Day Experiences Include:

- Habitat Greater Fresno Area t-shirt
- Refreshments/water
- Group photo
- Tools, materials, supervision, and training

how it works

1. Choose the Team Build Day experience that best fits your group.
2. Schedule your Team Build Day with Habitat Greater Fresno Area staff.
3. Once scheduled, your team members will be able to register for your Team Build Day and Habitat Greater Fresno Area will send you an invoice for payment either via check or credit card.
4. Complete your Team Build Day to make an impact on the community.

new home construction

- Saturdays
- 5-hour shift
7:30am – 12:30pm
- 10–15 participants

Investment:

Team Build cost will vary depending on construction activity.

Every hand on the new home construction site builds a stronger community for Fresno and Madera families to flourish. From framing the walls to applying the last coat of paint, every task has an essential purpose. Volunteers primarily build Habitat homes; no experience is necessary. Our skilled construction staff and CORE volunteers instruct and lead your team through each day's task.

Whether you are swinging a hammer or brushing on paint, at the end of the day, your team's efforts are building strength, stability, and self-reliance through homeownership!

ReStore experience

- Third Thursday and last Friday of each month
- 4-hour shift
- 5–15 participants

Investment:

\$150 per person, minimum group of 5

You do not always need a hammer to build a house! Habitat for Humanity ReStore raises money to build homes through the sale of new and used home and office goods that the community has donated. In this fast-paced environment, your group will help sort, organize, or build merchandise such as furniture, appliances, hardware, and home décor or work on special projects based on the day's inventory. With your help, Habitat ReStore diverts thousands of pounds of reusable materials from landfills each year.

It is hard work—and great fun—knowing your efforts result in building homes and communities together. One thing is for sure, with a ReStore Team Build, every day offers something new while proceeds support Habitat's mission in Fresno and Madera counties!
